

GENERAL HANDLING RANGE

EUAD0620

- Specially formulated coating ensuring superb grip, in particular to slippery objects handling
- 15 gauge knit providing greater sensitivity for precision handling
- Nitrile dots at the palm offering controlled grip and increased durability
- Soft, comfortable and excellent fitting
- 360° breathability to keep your hands from sweating full day
- Anti-bacterial processed and OEKO-TEX Standard 100 certified

Industries: Assembly, Utilities, Rail Track, Automotive, Engineering, Maintenance, Construction, FLT Operations, General Purpose, Manual Handling Aid

EUAD0620	15	Nitrile	Black	6-11	220-270mm	Cat. II

EUPB0920

- 18 gauge knit ensuring its extreme light-weight
- 2nd skin design offering perfect dexterity and fitting
- Unique formulated PU guaranteeing extra grip in dry working condition
- Breathable back of the hand to keep hands cool while working
- The lightest-weight coated glove in the market
- DMF free version available

Industries: Assembly, Aerospace, Cleanroom, Laboratory, Electronics, Manufacturing, Circuit Boards
